

9-2A-4: REPORTING REQUIREMENTS:

The county planner shall also prepare an appropriate report showing the number of subdivision final plats issued, and their acreages, and the number of building permits and their construction values, and receive and compile similar reports from other reporting cities and towns, and provide this information to the county commission, the habitat conservation plan and the public. (Ord. 547, 8-30-1993, eff. 10-1-1993)
